

For more than 20 years, **XMART IT Consulting GmbH**, with its headquarters in metropolitan area Rhein-Neckar, has been a successful and leading supplier for consultancy, development and practical implementations of infrastructure at the highest level. From several locations in Europe, Asia and America, our employees control and support the IT systems of leading local and global companies in a reliable, responsible and professional way.

**As Cloud Engineer, you are the right person for the development of solutions in interaction with the different common cloud approaches and cloud providers. Planning from simple to complex solutions and their implementation are your primary areas of responsibility.**

## Cloud Engineer (m/f/d)

### Your tasks

- Getting to know existing system landscapes at XMART and our customers independently
- Requirement analysis and conception of cloud solutions and their technical architecture
- Consulting in cloud projects
- Support in the infrastructure managed service areas

### Your skills

- Basic knowledge of at least one scripting tool
- Strong analytic skill and fascinated by IT security
- Experience in virtual environments
- Good knowledge of Windows or Linux servers
- Network knowledge
- Good knowledge of container orchestration, e.g. Kubernetes/OpenShift
- Experience in the automation of operational processes as well as knowledge of the associated tools and procedures in cloud solutions, e.g. Ansible, Chef, Puppet
- Practical experience in the implementation of cloud solutions (Azure, AWS)
- Prepared to travel
- Good knowledge of German and English

### Your additional qualifications

University of applied science or a university degree in an IT-related field (e.g. computer science, business informatics) or completed training as IT specialist.

### Your added value

- Fulltime employment
- Flexible working hours and option for home office (depending on project)

Satisfied and committed employees who work with competence and enthusiasm to achieve our goals are important to us. That is why we offer you extensive additional benefits:

- Company pension scheme
- Upgrade to private health insurance

At **XMART IT Consulting**, you will also benefit from exciting IT projects, excellent development opportunities, a collegial atmosphere and secure prospects for the future.

**Become part of our joint success!** Do you recognize yourself in this profile? Then we are looking forward to receiving your motivated application.
