

For more than 20 years, **XMART IT Consulting GmbH**, with its headquarters in metropolitan area Rhein-Neckar, has been a successful and leading supplier for consultancy, development and practical implementations of infrastructure at the highest level. From several locations in Europe, Asia and America, our employees control and support the IT systems of leading local and global companies in a reliable, responsible and professional way.

As DevOps Engineer, you will enrich our team in a permanent full-time position with your technical know-how, service-oriented thinking and action, as well as your distinctive social skills.

DevOps Engineer (m/f/d)

Your tasks

- Design, build and maintain the Continuous Integration/Continuous Delivery (CI/CD) pipeline based on modern frameworks such as GitLab, Docker.
- Optimising the architecture of the infrastructure within the AWS Cloud
- Continuous development of the cloud infrastructure
- Setup and operation of Kubernetes clusters in the cloud
- Administration and maintenance, error analysis and monitoring of high available system landscapes and cloud platforms
- Design and implementation of processes for the automated distribution of software (CI/CD)

Your skills

- Knowledge of Kubernetes and Container Orchestration
- AWS
- Scripting and software engineering (Python/Ruby/Bash/Go/etc)
- API Gateways (Ambassador) and Services Mesh (Istio)
- Several years of experience in operating Linux based server systems
- Web servers (Nginx, Apache), application servers (Tomcat, Node.js), document stores and databases (Postgres)
- An analytical and solution-oriented mentality
- Prepared to travel
- Good knowledge of German and English

Your additional qualifications

University of applied science or a university degree in an IT-related field (e.g. computer science, business informatics) or completed training as IT specialist.

Your added value

- Fulltime employment
- Flexible working hours and option for home office (depending on project)

Satisfied and committed employees who work with competence and enthusiasm to achieve our goals are important to us. That is why we offer you extensive additional benefits:

- Company pension scheme
- Upgrade to private health insurance

At **XMART IT Consulting**, you will also benefit from exciting IT projects, excellent development opportunities, a collegial atmosphere and secure prospects for the future.

Become part of our joint success! Do you recognize yourself in this profile? Then we are looking forward to receiving your motivated application.
