

For more than 20 years, **XMART IT Consulting GmbH**, with its headquarters in metropolitan area Rhein-Neckar, has been a successful and leading supplier for consultancy, development and practical implementations of infrastructure at the highest level. From several locations in Europe, Asia and America, our employees control and support the IT systems of leading local and global companies in a reliable, responsible and professional way.

You will enrich our team in a full-time position with your professional know-how, service-oriented thinking and acting, as well as your distinctive social competence.

Solaris Administrator (m/f/d)

Your tasks

- Strategy development, integration and implementation of replacement of Solaris 10 and Solaris 11.3 systems
- Active customer communication and support until final implementation
- Implementation of the required migrations (prepared to work during weekends incidentally)
- Monitor performance and solve problems

Your skills

- Expert in Solaris 10 and 11
- Extensive knowledge or common tools (HPESM, Jira, Confluence)
- Strong virtualization, hardware, storage and network skills
- Good knowledge of common databases Oracle, Sybase
- Very good knowledge of German and English
- Prepared to travel

Your additional qualifications

University of applied science or a university degree in an IT-related field (e.g. computer science, business informatics) or completed training as IT specialist.

Your added value

- Fulltime employment
- Flexible working hours and option for home office (depending on project)

Satisfied and committed employees who work with competence and enthusiasm to achieve our goals are important to us. That is why we offer you extensive additional benefits:

- Company pension scheme
- Upgrade to private health insurance

At **XMART IT Consulting**, you will also benefit from exciting IT projects, excellent development opportunities, a collegial atmosphere and secure prospects for the future.

Become part of our joint success! Do you recognize yourself in this profile? Then we are looking forward to receiving your motivated application.
