

For more than 20 years, **XMART IT Consulting GmbH**, with its headquarters in metropolitan area Rhein-Neckar, has been a successful and leading supplier for consultancy, development and practical implementations of infrastructure at the highest level. From several locations in Europe, Asia and America, our employees control and support the IT systems of leading local and global companies in a reliable, responsible and professional way.

As System Administrator for UNIX / LINUX systems in AWS, you will enrich our team in a permanent full-time position, with your professional know-how, service-oriented thinking and acting, as well as your distinctive social competence.

System Administrator UNIX/LINUX in AWS (m/f/d)

Your tasks

- Support and optimisation of the UNIX / LINUX systems in AWS
- Optimisation of the infrastructure architecture within the AWS Cloud
- Continuous development of the cloud infrastructure
- Setup and operation of Kubernetes clusters in the cloud
- Administration and maintenance, error analysis and monitoring of high available system landscapes and cloud platforms
- Design and creation of a platform for automated installation and operation of Debian-based systems (I-aC)
- Design and implementation of processes for automated software distribution (Continuous Integration and Delivery)
- Selection, installation and operation of common open source software (LEMP, Gitlab, Elasticsearch, RabbitMQ)

Your skills

- Knowledge of cloud (AWS) and container technologies
- Experience with "Infrastructure-as-Code" as well as knowledge about dealing with Ansible and Terraform
- Experience with setup and operation of Kubernetes (EKS)
- Experience in planning secure networks (VPC, VPN, etc.)
- Several years of experience in operating Linux-based server systems, preferably Debian / Ubuntu
- Basic knowledge of MySQL or PostgreSQL database administration in RDS
- An analytical and solution-oriented mentality
- Prepared to travel
- Good knowledge of German and English

Your added value

- Fulltime employment
- Flexible working hours and option for home office (depending on project)

Satisfied and committed employees who work with competence and enthusiasm to achieve our goals are important to us. That is why we offer you extensive additional benefits:

- Company pension scheme
- Upgrade to private health insurance

At **XMART IT Consulting**, you will also benefit from exciting IT projects, excellent development opportunities, a collegial atmosphere and secure prospects for the future.

Become part of our joint success! Do you recognize yourself in this profile? Then we are looking forward to receiving your motivated application.
