

For more than 20 years, **XMART IT Consulting GmbH**, with its headquarters in metropolitan area Rhein-Neckar, has been a successful and leading supplier for consultancy, development and practical implementations of infrastructure at the highest level. From several locations in Europe, Asia and America, our employees control and support the IT systems of leading local and global companies in a reliable, responsible and professional way.

**You will enrich our team in a full-time position with your professional know-how, service-oriented thinking and acting, as well as your distinctive social competence.**

## System Engineer Office365, SharePoint, Exchange (m/f/d)

### Your tasks

- Secure platform availability, analysis and elimination of malfunction (health checks, log file monitoring)
- Planning and implementation of system and platform maintenance, deployment and transfer of newly developed solutions into regular operation
- Automation and standardization of workflows with suitable scripts
- Independent identification of process and service improvements and their implementation
- Apply ITIL based operational processes
- 2<sup>nd</sup> and 3<sup>rd</sup> level support
- Creation and maintenance of operational documentation

### Your skills

- Several years of experience in the support, administration and installation of Microsoft SharePoint environments (2010, 2013, 2016)
- Very good experience in Office365/Exchange/Azure
- Confident handling of Windows Server, Active Directory, Internet Information Server and SQL Server
- Good scripting skills (Microsoft PowerShell), ideally with Nintex workflows and/or forms
- A high degree of customer and service orientation, joy and enthusiasm
- Strong teamwork and communication skills
- Result oriented, initiative and analytic
- Very good knowledge of German and English
- Prepared to travel

### Your additional qualifications

University of applied science or a university degree in an IT-related field (e.g. computer science, business informatics) or completed training as IT specialist.

### Your added value

- Fulltime employment
- Flexible working hours and option for home office (depending on project)

Satisfied and committed employees who work with competence and enthusiasm to achieve our goals are important to us. That is why we offer you extensive additional benefits:

- Company pension scheme
- Upgrade to private health insurance

At **XMART IT Consulting**, you will also benefit from exciting IT projects, excellent development opportunities, a collegial atmosphere and secure prospects for the future.

**Become part of our joint success!** Do you recognize yourself in this profile? Then we are looking forward to receiving your motivated application.
